Re: April and May, Monthly Report

Due to the current outage of the Iowa County Sheriff's Office report management software, the number of calls for service is still being calculated. Attached is the raw data.

Also of note, in March, I graduated from the State of Wisconsin's DOJ Leadership in Police Organizations Course, a curriculum based on Leadership Training at the United States Military Academy. This is universally applicable to many situations, not just direct policing strategies.

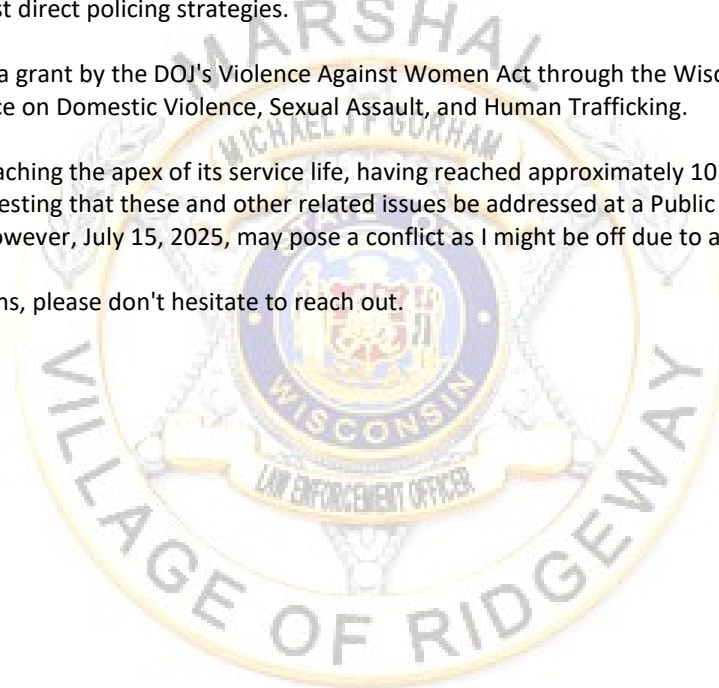

In April, I was awarded a grant by the DOJ's Violence Against Women Act through the Wisconsin DOJ to attend the International Conference on Domestic Violence, Sexual Assault, and Human Trafficking.

The Squad Car is approaching the apex of its service life, having reached approximately 10 years in service with 99,000 miles. I am requesting that these and other related issues be addressed at a Public Health and Safety Committee Meeting; however, July 15, 2025, may pose a conflict as I might be off due to an engagement.

If you have any questions, please don't hesitate to reach out.

Professionally,

Michael J Gorham
