- 6.5 Pay Plan Provisions.** Once established, the Pay Plan is intended to provide equitable compensation for all job classes in relation to the pay for other job classes, general rates

of pay for similar employment, the financial condition of the City, and other factors. To this end, the City Manager shall regularly, but not less than biannually make comparative studies of all the factors affecting the level of pay and recommend such changes to the plan as may be justified. Such adjustments shall be made by increasing or decreasing the pay ranges provided in the basic pay schedule as approved by the City Council.

- 7.3 Performance Evaluation Procedures**
1. It shall be the responsibility of the City Manager or designee to see that the performance evaluation program is operated as required by this chapter.
 2. Supervisors shall conduct a performance evaluation of each employee as provided in this chapter. A complete performance evaluation form will be sent to the City Manager by each supervisor each year. The City Manager shall provide a status report of all City employees at the first council meeting in July of each year.
 3. Employees have the right to review their performance evaluation and review the contents of their personnel folder at any time. Employees must sign and may attach comments to the completed performance evaluation. Such signature shall not signify concurrence by the employee as to the contents of the evaluation, but only notice that the employee has read and been made aware of the evaluation's contents. If an employee refuses to sign the completed evaluation, the supervisor shall obtain a management witness to certify the employee has read and been made aware of the evaluation's contents.

4. All performance evaluations shall be confidential, and the contents shall not be disclosed, except within the employee's chain of command including the City Manager, or prospective supervisor and Department Head, in cases of internal transfers or as provided for under law, without the written consent of the employee.

2. Lunch breaks are normally one (1) hour, except for those departments with established thirty (30) minute lunch breaks. Such mealtime shall be unpaid time unless the employee is required or permitted to work during such mealtime. An employee may only work during mealtime with advance approval from the City Manager.

Employees will be paid for time actually worked unless absences fall under leave provisions.

8.3 Dress and Personal Appearance. It is important that City employees present the best possible image to the public. Employees should be as neatly dressed as work assignments allow.

- 8.4 Pay Periods.** Each pay period shall be bi-weekly. Under unusual circumstances checks may be issued early, but only upon the request of the Department Head and with the concurrence of the City Manager and Finance Officer/Treasurer.
- 8.5 Time Tracking.** All employees are entered in the ESS (employee self service). Employees will enter their time and submit it to the supervisor who will approve or deny the time. Supervisor-approved time will be submitted to the City Manager for final review and approval.

No supervisor or Department Head can deny a City employee who has successfully completed the probationary period and who is not the subject of disciplinary action (pending or imposed), permission to apply for a job vacancy in any other City position or department for which the employee is qualified.
 2. Transfers must be approved by the City Manager and will only be considered upon the approval of the receiving Department Head. Should an employee request a transfer, the employee's salary may be reduced, if necessary, to conform to the pay range appropriate to the new position. Any transfer which results in an overall increase in salary and wage expenditure must be approved by the City Council. The employee shall be advised of any changes in pay that will occur as a result of the transfer.
- 8.9 Resignations.** A City employee who wishes to resign in good standing must submit a letter to his immediate supervisor at least fourteen calendar days before leaving. All City equipment and property is to be turned in to the department upon termination. If this is not done, the employee will be financially responsible for the value of the unreturned items.

8.10 Reductions in Force

1. It may, at any given time, be necessary and appropriate for the City to reduce the number of its employees or abolish some positions because of economic conditions, reorganization, and/or lack of work.
2. When a position is to be discontinued or abolished, the Mayor shall submit to the City Council for approval a written proposal containing a recommendation for the order of layoff based on:

 - a. Temporary and/or probationary employees will be laid off first from positions for which a regular employee, subject to reduction in force, is at least as equally qualified;
 - b. Reduction of regular employees will be determined by department, based on ability to perform work, job performance, and seniority;
 - c. Regular employees to be terminated as a result of a reduction in force shall be provided written notice at least two calendar weeks in advance of the effective date of the termination or shall be granted equivalent severance pay; and
 - d. A regular employee terminated as a result of a reduction in force or the elimination of a position shall receive preference in hiring for any position for which they are at least as equally qualified over external employment candidates.
 - i. Terminated regular employees seeking reemployment must follow the established hiring procedures of the City.
 - ii. This privilege ends after six (6) months of after the employee declines an offer of employment from the City, whichever comes

first.

- iii. A regular employee rehired or reinstated within one (1) year of termination as a result of a reduction in force shall be entitled to service credit accrued prior to termination.

It shall be the responsibility of the employee's Department Head to assure compliance with this rule.

SECTION 9: LEAVE

 - f. Three (3) hours per pay period are accumulated for part-time regular employees who have served more than ten (10) years in the City.
2. Employees may use accrued vacation leave in hourly increments. Every effort will be made to grant an employee vacation at the time requested. However, vacations cannot interfere with the City's essential operations and therefore must be approved by the Department Head and City Manager in advance. The City Manager's request for vacation time is approved by the Mayor.

3. City employees may carry a balance of not more than 320 hours of vacation per calendar year. Excess hours will be forfeited at the beginning of the calendar year. The purpose of this provision is to encourage employees to take time off and to avoid imposing a significant liability on the City to pay out unused vacation leave when an employee separates from employment. Paid holidays which occur during vacation time are not counted as vacation leave.
4. Probationary employees shall not be paid for accrued vacation time upon separation from employment. City employees who separate from employment will be paid for unused vacation time subject to the 320-hour accrual limit.
5. Annually, during the first City Council meeting in December, the City may offer to buy back unused vacation leave hours at 100% of the employees' respective base hourly rates of pay. The number of hours the City may offer to buy back is discretionary. Employee participation is voluntary. An employee's vacation leave accrual balance cannot be reduced below 40 hours as a result of the buy-back.

9.2 Holidays

4. When a holiday falls during an employee's use of annual leave, the day shall be counted as a holiday and not annual leave.
5. If a paid holiday falls on the employee's regular day off, the employee may float the paid holiday.

- 9.3 Personal Leave Day.** Regular employees are entitled to one (1) personal leave day each calendar year. The personal leave day will be consistent with the employee's normal workday. Such leave must be requested and approved in advance. The personal leave day must be taken during consecutive hours. The personal leave day must be taken by December 31, or it will be lost. Employees who do not take the personal leave day shall not be paid for it upon separation from City employment.

9.4 Sick Leave

1. Sick leave benefits are accrued at the rate of four (4) hours per pay period. Part-time employees accrue sick leave at the rate of two (2) hours per pay period. Unused sick leave shall be accumulated from year-to-year capping at 320 hours. Employees on probationary status shall be credited with sick leave for each pay period worked.
2. Sick leave should only be used as needed, and abuses of sick leave will be grounds for disciplinary action. If an employee has used all accrued sick leave, the employee may choose to use his accrued vacation as sick leave with approval of his supervisor. The employee must be able to justify the use of vacation leave as sick leave.
3. Employees using sick leave shall notify their supervisor before the start of their scheduled work shift. Sick leave of more than three days duration may require certification by a licensed health care provider as to the nature of the illness be submitted to the City Manager. Persons on sick leave for more than five (5) consecutive work days may be required to have a physical examination but shall be required to be certified fit to return to work by a licensed health care provider. Physical examinations required by the City will be paid for by the City.
4. An employee may use accrued sick leave to care for members of the employee's immediate family (employee's spouse or ex-spouse, live-in partner, children, stepchildren, parents, step- parents, siblings, grandparents, step-grandparents, grandchildren, step-grandchildren, aunts, uncles, first cousins, nieces, nephews, and the like relations of the employee's spouse. This definition shall cover any person so related to the employee by birth, adoption, or marriage). A licensed health care provider's certification may be required stating the family member's condition before sick leave is granted.
5. Regular, probationary, temporary, and limited-term employees shall not be paid for accrued sick leave time upon separation from employment with one exception. Regular employees who retire from the City will be paid for unused sick time up to 50 hours.

9.5 Donated Leave

1. There are occurrences brought about by medical conditions that cause employees to exhaust leave and therefore be placed on leave without pay. It is recognized that employees forced to go on leave without pay could be without income at a most critical point in their life. Employees who want to assist their fellow workers by donating leave can do so through this provision of the policy manual.

2. For the purpose of this section, “medical conditions” shall be interpreted to include a serious illness or injury which is monumental, unusual, immediate in nature and which is expected to preclude the employees from returning to work for an extended period of time. This shall involve but is not limited to:
 - a. Any period of incapacity or treatment connected with inpatient care (e.g., an overnight stay) in a hospital, hospice, or residential medical care facility;
 - b. A period of incapacity requiring absence of more than three calendar days from work that involves continuing treatment by (or under the supervision of) a licensed health care provider;
 - c. Any period of incapacity due to pregnancy, or for prenatal care;
 - d. Any period of incapacity or treatment due to a chronic serious health condition (e.g., asthma, diabetes, epilepsy, etc.);
 - e. A period of incapacity that is permanent or long-term due to a condition for which treatment may be effective (e.g., Alzheimer’s, stroke, terminal disease, etc.); or
 - f. Any absence to receive multiple treatments (including any period of recovery) by, or referral by, a licensed health care provider (e.g., chemotherapy, physical therapy, dialysis, etc.).
3. General Guidelines. The following guidelines apply to the City’s Donated Leave policy:
 - a. Leave may be donated from vacation or sick leave.
 - b. An employee cannot donate from either the vacation or sick leave if the donating employee’s balance will fall below 40 hours.
 - c. Leave donated will be added to the recipient’s sick leave balance limiting its use for a medical condition only.
 - d. The minimum donation allowable is four (4) hours.
 - e. Leave shall be donated on a one-to-one personal basis. Establishment of a leave “pool/bank” is expressly prohibited.

- f. The donation and receipt of leave shall be completely voluntary, and anyone who interferes with an employee's right to choose whether to donate or receive leave shall be subject to disciplinary action.
 - g. Individual leave records are confidential and only involved individuals may reveal their donation or receipt of leave.
 - h. The employee donating leave cannot receive compensation for the leave donated.
 - i. Upon return to work the recipient will be allowed to retain up to 40 hours in their sick leave account.
 - j. Any additional unused donated leave beyond 40 hours will be returned to the donor(s) on a pro-rated basis and credited to the leave account from which it was donated. Fractions of the hour shall not be returned to an individual donor.
 - k. If a recipient of donated leave separates from the City of Rio Communities employment, the donated leave remaining in the recipients account shall be returned to the donors' accounts on a pro-rated basis.
4. Recipient Requirements. The following requirements apply to the recipient of donated leave:
- a. When requesting donated leave, the employee or the immediate supervisor must complete in writing and forward the request for donated leave including the physician certification to the City Manager. All medical information is confidential. When disclosing information about an applicant the City will state only that the requesting individual or the individual's family member has a "medical condition".
 - b. An employee must exhaust all types of leave before any donated leave will be used.
 - c. While using donated leave, the employee continues to earn vacation and sick leave. This earned vacation and sick leave should be used each month prior to any donated leave.
 - d. Upon return to work, an employee is allowed to retain 40 hours of the donated leave in his sick leave account. Any remaining leave over 40 hours will be prorated back to the donors in the leave reporting period immediately following the employee's return to work. This action is

reflected in the adjustments column of the employee's monthly leave report.

- e. An employee's participation in donated leave is limited to 520 hours either continuously or, if for the same condition, on a recurring basis. However, a continuation may be granted month by month for any amount of time that management would otherwise have granted leave without pay.

9.6 Family and Medical Leave of Absence. The purpose of Family Medical Leave is to balance the demands of the work place with the needs of families to promote the stability and economic security of families; to minimize the potential for employment discrimination on the basis of sex by ensuring that leave is available for eligible medical reasons (including maternity-related disability) and for compelling family reasons; and to promote the goal of equal employment opportunity for women and men.

1. Employee Eligibility
 - a. Permanent employees who have been employed with the City of Rio Communities for at least 12 months and who have worked at least 1250 hours (half-time) during the previous 12-month period are entitled to a total of 12 workweeks of leave, paid or unpaid, during any rolling 12-month period for one or more specified conditions which are covered under this Act.
 - b. For the purpose of this policy, the 12-month period is defined as 12 months from the date of the qualifying event.
2. Qualifying Conditions
 - a. Birth of a child and care for the child after birth, provided the leave is taken within a 12-month period following birth,
 - b. Care for a child placed with the employee for adoption or foster care, provided the leave is taken within a 12-month period following adoption.
 - c. Care for the employee's child, spouse, or parent, where that child, spouse, or parent has a serious health condition.
 - d. A serious health condition that makes the employee unable to perform the essential functions of his position.
3. FMLA Leave Options
 - a. Eligible employees are entitled to 12 weeks of unpaid leave within a rolling twelve-month period.

- b. Eligible employees may choose to use paid leave in the form of vacation, sick, compensatory, or donated leave.
- c. Eligible employees may choose to use the FMLA Leave on an intermittent basis or on a reduced work schedule.

4. Definitions

- a. Parent - a biological or adoptive parent or an individual who stood in loco parentis (a person who is in the position or place of a parent) to an employee when the employee was a child. If an employee requests FMLA to care for an individual who stood in loco parentis, the employee must provide documentation verifying the relationship. If legal records are not available, the employee has the burden of proof and must submit written documentation explaining the relationship covering periods of residence, facts and circumstances. Someone who was in a position to know of the relationship must verify this documentation through signature and notary.
- b. Child - a son or daughter who is under 18 years of age or is 18 years of age or older and incapable of self-care because of a mental or physical disability. Child would include: (a) biological, (b) adopted, (c) foster, (d) step-child, (e) legal ward, and (f) child of an employee standing in loco parentis as defined above.
- c. Spouse - a husband or wife recognized by the State of New Mexico.
- d. Serious Health Condition - (a) an illness, injury, impairment, and/or physical or mental condition that involves either inpatient care in a hospital, hospice, or residential medical care facility, or that involves continuing treatment by a health care provider; (b) any period of incapacity requiring absence from work of more than three (3) calendar workdays that also involves continuing treatment by a health care provider; or (c) continuing treatment by a health care provider for conditions so serious that, if not treated would likely result in an absence of more than three (3) calendar workdays. Prenatal care is also included. The period of actual physical disability associated with childbirth is considered a serious health condition and may be subject to family/medical leave regulations, whether as paid or unpaid leave.
- e. Intermittent Leave or Reduced Work Schedule- an intermittent work schedule is a schedule in which an employee works on an irregular basis and is taking leave in separate blocks of time, rather than for one continuous period of time. The leave period may not exceed the total of the allowed 12-week period.

5. Administration of Family Medical Leave
- a. An employee desiring to use Family Medical Leave needs to contact the City Manager or designee prior to the requested leave period whenever possible.
 - b. Requests for FMLA Leave must be supported by reasonable proof.
 - c. If an employee is unable to initiate the contact with the City Manager or designee for Family Medical Leave, the Department Head is responsible for contacting the City Manager or designee to investigate the designation of the leave period as paid or unpaid FMLA Leave. The designation must be made on the Family Medical Leave Request Form and must be completed prior to the extension of FMLA Leave.
 - d. If an employee on paid leave has not provided sufficient information to determine whether it is designated as FMLA Leave the Department Head shall, after a period of 10 workdays, request that the employee provide sufficient information to establish a FMLA-qualifying reason for the needed leave. This does not preclude the department from requesting the information sooner or at any time an extension is requested.
 - e. Employees designated on FMLA Leave have the following options for charging leave:
 - i. For the birth of a child, the employee may choose to exhaust available compensatory, vacation, sick, and/or donated leave, or any portion, or go on leave without pay.
 - ii. For the adoption or foster care of a child, the employee may choose to exhaust available compensatory, vacation, sick, and/or donated leave, or any portion, or go on leave without pay;
 - iii. For the illness of an employee's child, spouse, or parents, the employee may choose to exhaust available compensatory, vacation, sick, and/or donated leave, or any portion, or go on leave without pay;
 - iv. For the employee's illness, the employee shall exhaust available sick leave and may choose to exhaust available compensatory, vacation leave, and/or donated leave, or any portion, before going on leave without pay.

- v. Employees desiring to work a reduced or intermittent work schedule under FMLA Leave will need to contact the City Manager or designee for further instructions. Employees approved for one of these options will experience a reduction in monthly earning rates.
- 6. Notice to Employer. It is the responsibility of the employee to explain the reasons for the FMLA Leave in sufficient detail to allow the City to determine that the leave qualifies under the FMLA. If the employee fails to adequately explain or document the FMLA-qualifying reasons for the leave after a request by the City, leave may be denied. Where the necessity for FMLA Leave for the birth or placement of a child is foreseeable, the employee shall give the City at least 30 days' advance notice (before the date the leave is to begin) of the employee's intention to take such leave. In other cases, the employee shall provide such notice as soon as practical. As soon as practical means at least verbal notification to the City within one or two business days of when the need for leave becomes known to the employee. An employee shall at least provide verbal notice to the City of the need for FMLA Leave and the anticipated timing and duration of the leave. The City may also require an employee to comply with the City's usual and customary notice and procedural requirements for requesting leave. If the employee fails to give timely advance notice when the need for FMLA Leave is foreseeable, the City may delay the taking of FMLA Leave until 30 days after the date the employee requested the need for the FMLA Leave. In some circumstances, employees may need to make the request for FMLA Leave after the fact. If this occurs, employees have two business days upon returning to work to provide the appropriate information in order to be entitled to the protections of FMLA.
- 7. Notice to Employee. Once the City has received a request for a FMLA required reason, the City shall promptly (generally within two business days, absent extenuating circumstances) notify the employee that the leave is designated and will be counted as FMLA Leave. The City may give such notice in writing.
- 8. Medical Certification. Any request for FMLA Leave for a serious health condition shall be supported by a certification issued by the health care provider of the eligible employee or of the son, daughter, spouse, and a parent of the employee or an individual who has acted in loco parentis to an employee as appropriate. Such medical certification should be attached to the employee's request for FMLA Leave, or in the case of unforeseen leave, generally within two business days after the leave commences. In the case of foreseeable leave, the City may delay the taking of FMLA Leave to an employee who fails to provide timely certification after being requested by the City to furnish such certification (within 15 calendar days, if practicable), until the required certification is provided. In the case of unforeseeable leave, if the employee does not provide

the medical certification within a reasonable time, the City may delay the continuation of FMLA Leave. If the employee never produces the required medical certification, or if the certification does not confirm the existence of a serious health condition as defined under FMLA, then the leave is not FMLA Leave. In any case in which the City has reason to question the appropriateness of the leave or its duration the City may request certification at some later date. If the City has reason to doubt the validity of the certification provided the City, the City may require at its expense, that the eligible employee obtain the opinion of a second (or third) health care provider.

9. Confidentiality. All records and documents relating to medical certifications, re-certification or medical histories of an employee's family members, shall be maintained in a separate medical file from the employee's personnel file, and shall be treated as confidential medical records.
10. Restoration to Work
 - a. Any eligible employee who takes approved FMLA Leave shall be entitled, upon return from such leave:
 - i. To be restored by the City to the same position of employment held by the employee when the leave commenced; or
 - ii. To be restored to an equivalent position with equivalent employment benefits, pay, and other terms and condition of employment.
 - b. If the employee is unable to perform an essential function of the position because of a physical or mental condition, including the continuation of a serious health condition, the employee has no right to restoration to another position under the FMLA. However, the City will review such situations on a case-by-case basis under the ADA.

9.7 Group Health Plan Coverage

- a. The City shall maintain coverage for the employee under the City's group health plan for the duration of the 12-week FMLA Leave period at the level and under the conditions coverage would have been provided if the employee had continued employment.
- b. Any share of health plan premiums paid by the employee prior to leave must continue to be paid by the employee during the leave period.

- c. The City must give advance written notice to employees of the terms for payment of premiums during FMLA Leave.
- d. The City's obligation to maintain dependent health insurance coverage stops if an employee's premium payment is more than 30 days late. The City must provide the employee with at least 15 days' notice that coverage will cease.
- e. If an employee's failure to make the premium payments leads to a lapse in coverage, the City must still restore the employee, upon return to work, to the health coverage equivalent that employee would have had if leave had not been taken and premium payments had not been missed without any waiting period or preexisting conditions.
- f. The City may recover the premiums if the employee fails to return for a reason other than the continuation, recurrence, or onset of a serious health condition of the employee or the employee's immediate family member, or other circumstances beyond the employee's control.

9.8 Other Benefits

- a. Maintenance of health insurance policies that are not a part of the City's group health plan (where no contributions are made by the City) is the sole responsibility of the employee.
- b. Taking FMLA Leave shall not result in the loss of any employment benefit accrued prior to the date on which the leave commenced.

9.9 No Retaliation. The City shall not interfere with an eligible employee's rights under the FMLA, shall not discharge or otherwise discriminate against employees who exercise such rights, and shall not retaliate against employees who file, initiate, or otherwise assist in charges or investigation against the City.

9.10 Rights and Obligation of Employees. When an employee provides notice of the need for FMLA Leave, the City shall provide the employee with a Notice (within two business days, if feasible) detailing the specific expectations and obligations of the employee and explaining any consequences of a failure to meet these obligations.

9.11 Leave Without Pay. The City Manager may grant a regular employee leave without pay for a period not to exceed one year. Leave without pay may be granted only when it is in the best interest of the City, and only following consideration of the employee's performance and disciplinary history, and the potential disruption of City operations.

- 1. For leave without pay a written request indicating the reason for the leave, duration, and dates of departure and return, must be approved by the City

Manager before leave is taken.

2. Employees on leave without pay shall not accrue annual or sick leave for those hours on leave without pay, nor be paid for observed holidays.
3. During an employee's approved leave without pay, his position may be filled by temporary appointment, a temporary promotion, limited term employee or detail to another employee. At the expiration of a leave without pay, the employee has the right to and shall be reinstated in the position he vacated if the position still exists; or, if not, to any other vacant position of like seniority, status and pay. If no vacancy exists, the employee will be offered the first available position for which he qualifies. If no position is found within a period of one-hundred twenty (120) days, the employee will be terminated.

9.12 Bereavement Leave. In the event of a death in the employee's immediate family, (employee's spouse or ex-spouse, live-in partner, children, stepchildren, parents, stepparents, siblings, grandparents, step-grandparents, grandchildren, step-grandchildren, aunts, uncles, first cousins, nieces, nephews, and the like relations of the employee's spouse. This definition shall cover any person so related to the employee by birth, adoption, or marriage) the employee will be permitted three (3) days leave with pay per occurrence not chargeable under any benefits. After three (3) days, bereavement leave will be charged against the employee's sick leave. An employee must notify the employee's Department Head before taking such leave.

9.13 Military Leave. Leave with pay will be granted for a period of two weeks per year to permanent full-time employees and permanent reserve part time employees enrolled in the National Guard or military reserve units to attend training camp or exercises. In cases where such leave is granted, the employee must furnish proof of duty orders before leave being granted. The equivalent of National Guard military reserve pay will be deducted from the employee's paycheck, and if the employee's regular income from the Military Reserve Service is in excess of the employee's regular income from the City, then the employee shall not be entitled to any pay from the City.

Unpaid Military Leave. Regular employees who are members of the Armed Forces, the Army National Guard, the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty are entitled to re-employment after up to five years of service. PERA contributions may not be withdrawn when an employee begins military leave without pay. Upon re-employment, such employees shall receive any necessary pay adjustment such as provided to other employees during the period of active duty.

1. Employees must apply for re-employment within fourteen days of the date of release from active duty where the active service was from 31 to 181 days.

2. Employees must apply for re-employment within ninety days of the date of release from active duty where the active service was more than 181 days.
3. For service of 90 days or less, the employee is entitled to the position he would have been employed in if continuous employment had not been interrupted or the position in which the employee would have been employed on the date of the commencement of service.
4. For service of more than 90 days, the employee is entitled to the position in which he would have been employed if the continuous employment had not been interrupted or the position of employment in which he was employed at the date of commencement of service, or a position of like seniority, status and pay.

9.14 Jury Duty. Employees will be granted court leave for the purpose of serving as a juror or witness in any court. Court leave with pay will be authorized only during those days which would otherwise have been an employee's regular scheduled working days.

9.15 Voting Leave

1. The City encourages employees to register and vote in every election where they are eligible to vote. On election day, employees shall be allowed up to two (2) hours leave with pay to vote, provided the employee's work day does not begin more than two (2) hours after the polls open or end more than three (3) hours before the polls close. To comply with this requirement, the City may adjust the employee's work schedule on Election Day. For example, on Election Day, the City may allow an employee to start the work day two (2) hours later than normal and end their work day two (2) hours later than normal. Employees may be required to show they are registered eligible voters to qualify for voting leave.
2. The employee shall request such voting leave at least three (3) work days in advance with his Department Head in order to allow adequate time to make arrangements for full department coverage.

9.16 Domestic Abuse of Sexual Violence Leave (DASV)

1. In accordance with New Mexico law, the City will grant up to 14 days of DASV unpaid leave in any calendar year to an employee who is a victim of domestic abuse or sexual violence, or who has a family or household member who has been a victim. Alternatively, the employee must use accrued leave. When possible, the employee should provide the City with at least 48-hours advance notice of DASV

leave.

2. Verification of the need for DASV leave may be requested. This verification may be a police report, court record, doctor's certification, copy of order of protection, or a written statement from an attorney.

9.17 Nursing Mother's Leave

1. To foster the ability of a nursing mother who is an employee to use a breast pump in the workplace, the City will provide a space for using the breast pump that is (1) clean and private; (2) near the employee's workspace; and (3) not a bathroom. The City will also provide the employee flexible break times.
2. The City is not responsible for storage or refrigeration of breast milk. The City is also not responsible for compensating a nursing mother for break times that are in addition to established employee breaks or paying overtime while a nursing mother is using a breast pump.

SECTION 10: OVERTIME AND COMP TIME

- A. A non-exempt employee shall not work more than the regularly assigned workweek without the City Managers prior approval. Non-exempt employees who work in excess of the normal 40-hour workweek shall be compensated at the rate of 1½ times the employee's regular base rate of pay for each hour of overtime worked. Overtime work will be compensated in 15-minute increments. Rates consistent with the fair labor standard act (FLSA) (29usc201, et seq)
- B. Working overtime without prior approval is just cause for disciplinary action, up to and including termination.
- C. Payment for overtime may be in the form of cash ("overtime pay") or compensatory time ("comp time"). In times of budgetary constraint, the City of Rio Communities, at its sole discretion, may elect to pay employees overtime in the form that best suits the City.
- D. An employee is not entitled to overtime pay or comp time unless that employee has actually *worked* more than 40 hours in a given workweek. The time an employee takes off from work for a holiday, vacation, personal leave, or an illness is not considered hours worked for purposes of calculating overtime, even if the employee is paid for that time with accrued leave or accrued comp time.
- E. All City employees, including commissioned police officers, eligible for overtime compensation may accrue a maximum balance of 120 hours of comp time. If an employee has reached the accrual limit for comp time set forth in this paragraph,

any additional overtime worked by the employee shall be paid out in the form of cash.

- F. The City strongly encourages all employees to use their accrued comp time within 6 months of earning it. Employees may use comp time at any time with the prior approval of the eligible employee's supervisor unless the granting of such time would unduly disrupt the effective functioning of the employee's department. Mere inconvenience is an insufficient basis for denial of a request to use accrued compensatory time.
- G. At any time, an employee may request that the City of Rio Communities cash out his accrued but unused comp time balance, even if the balance is below the accrual maximum set forth in paragraph 6. The City of Rio Communities, at its discretion, may grant the employee's request, giving consideration to budgetary constraints and priorities. Such payment must be made at the regular hourly rate of pay received by the employee at the time of payment.
- H. The City may, at any time, elect to pay out some or all of an employee's accumulated compensatory time. Such payment must be made at the regular hourly rate of pay received by the employee at the time of payment. It is within the City's sole discretion whether to pay out some or all accrued comp time.
- I. Upon an employee's retirement, resignation or termination, the City of Rio Communities shall pay the employee for the balance of his accrued but unused comp time at a rate not less than the employee's final hourly pay rate or the employee's average hourly rate over the last three (3) years of employment, whichever is greater. In instances where the employee has less than three (3) years of employment with the City of Rio Communities, the average pay rate for the entire period of employment shall be used instead.
- J. Supervisors shall monitor overtime worked and compensatory time accrued and shall encourage the use of compensatory time as the opportunity arises, in order to minimize the City of Rio Communities' overtime pay liability. The supervisors' monitoring of overtime and encouraging the use of comp time will be considered as part of the supervisors' performance evaluation.

SECTION 11: POLITICAL ACTIVITY

City employees shall not, during working hours, publicly support or endorse any person running for political office. City employees should not be harassed for political support by any political candidate, Department Head or Elected Official. An employee cannot be fired or penalized for failure to support a particular candidate. This is to ensure the protection of the employee from any unnecessary interference with the employee's job. The

employee's job does not depend upon political beliefs, but upon the employee's job skills and performance.

SECTION 12: GRATUITIES – SOLICITATION

- 12.1 Gratuities.** City employees shall be prohibited from accepting gifts or other considerations from vendors where the value of such gifts or considerations is in excess of twenty-five dollars (\$25.00). Any attempt to influence an employee's performance of the employee's duties by a vendor or other persons should be reported to the City Manager.
- 12.2 Solicitations.** No solicitation by employees or others will be allowed in a City-owned building or on City property. All legitimate proposals should be directed to the Department Heads or persons responsible for purchasing. Salesmen should not consult directly with employees without permission of the employee's supervisor. Limited exceptions may be authorized by the City Manager for charitable solicitations.

SECTION 13: RULES OF EMPLOYEE CONDUCT AND DISCIPLINARY ACTION

- 13.1 Rules of Employee Conduct.** Reasonable rules of employee conduct are necessary for the orderly and effective operation of the City. Some of the more obvious examples of unacceptable conduct are listed below. This list is not all inclusive and is not intended to refer to all possible policy infractions. Employees should contact the City Manager or designee with any questions regarding the City's rules of employee conduct.
1. Violation of the City personnel ordinance, policies, or rules.
 2. Incompetence, inefficiency, or inadequate performance of an employee's duties.
 3. Insubordination or uncooperative behavior.
 4. Leaving work before the end of a workday or not being ready to work at the start of a workday without approval from the employee's supervisor; stopping work before the time specified for such purpose.
 5. Failure to report an absence or late arrival; excessive absence or tardiness.
 6. Use of official position or authority for personal profit or advantage, including a violation of the Governmental Conduct Act, NMSA (1978), §10-16-1, *et seq.* (as amended), which sets forth the ethical principles of public service and prohibits certain official acts. A copy of the Act is available from the City Manager.

7. Violation of security or safety practices.
8. Commission of a felony or misdemeanor related to the position held by the employee or conviction of a crime involving moral turpitude.
9. Violence or threats of violence toward anyone while on duty, on City property, driving a City vehicle or equipment, representing the City, or wearing a City uniform. Fighting, horseplay or provoking a fight.
10. Obscene, abusive, or rude language or behavior toward any supervisor, employee, or member of the public; any disorderly or antagonistic conduct.
11. Malicious gossip and/or spreading rumors; engaging in behavior designed to create discord and lack of harmony; interfering with another employee on the job; willfully restricting work output or encouraging others to do the same.
12. Misappropriation or personal use of City funds, property, or resources; theft or fraud.
13. Intentionally or negligently causing damage to City tools, equipment, or other property;
14. Failure to immediately report damage to, or an accident involving City vehicles or equipment.
15. Violation of confidentiality or release of confidential information.
16. Deliberate falsification or omission of information on an employment application, resume, timecard/record, or other City documents.
17. Soliciting during work hours and/or on City premises; selling merchandise or collecting funds of any kind for whatever purpose without the City Manager's prior approval, or at a time or place that interferes with the work of another employee on City property or at a City worksite.
18. Conducting a lottery or gambling on City premises or while on duty.
19. Failure to maintain a neat, clean and professional appearance or wearing unsafe clothing to perform employee's specific job duties.

20. Other acts or omissions, on or off-duty, that may result in disciplinary action include those that:
- a. Call into question the employee's ability to perform assigned duties or job functions;
 - b. Harm public respect for the City's employees or confidence in the operation of City services; or
 - c. Impair the operation or efficiency of any City function.

13.2 Just Cause for Disciplinary Action. Failure or refusal to meet the standards of employee conduct shall constitute just cause for disciplinary action. Regular full-time and regular part-time employees may be disciplined only for just cause. Unlike regular employees, probationary employees, temporary employees, limited-term employees, and other at-will employees may be discharged without cause or for any lawful reason.

13.3 Progressive Discipline. Occasionally, disciplinary action is necessary to correct employee misconduct or performance that fails to meet expectations. The type of corrective or disciplinary action imposed will depend on the severity of the infraction and the employee's previous work record. Progressive discipline will normally be used; however, some infractions may be so serious that the first disciplinary action may require suspension without pay, demotion or even dismissal.

13.4 Documentation. In every situation involving any form of corrective or disciplinary action, documentation of such action shall be prepared. Any such documentation given to an employee should be signed by the employee to acknowledge receipt. If the employee refuses to sign the documentation, another employee should be called in to sign the form as a witness to the fact that the counseled or disciplined employee received the documentation but refused to sign it.

13.5 Range of Counseling and Discipline. The range of counseling and discipline is as follows:

1. **Verbal Counseling.** A supervisor may verbally counsel an employee for minor infractions and to inform the employee that behavior or conduct needs to change or improve. The supervisor should inform the employee that the supervisor is verbally counseling the employee. Verbal counseling should: (A) remind the employee of pertinent policies and work rules; (B) provide examples of how the employee's behavior or performance has fallen short of expectations; (C) explain the impact of the employee's deficiencies on the City and coworkers; (D) describe the actions the employee needs to take to correct the problem; and inform the employee that failure to improve may result in more severe discipline. Supervisors

shall prepare a memorandum for the supervisor's own records indicating that the employee has received a verbal counseling. Documentation of a verbal counseling shall not be placed in the employee's personnel file. Verbal counseling is not grievable.

The employee may be moved from one position to another position with a lower pay rate for which the employee qualifies or, alternatively, the employee may be permitted to remain in the same position but will be subject to a reduction in his pay rate. Demotion is not to be used as a substitute for discharge from employment, when a discharge is warranted. A regular, full-time or regular, part-time employee may appeal a demotion pursuant to the City's grievance procedures.

5. **Dismissal.** The City Council may, upon the Mayor's recommendation which will be made in the form of a Notice of Intent to Discipline, dismiss an employee when other forms of discipline have failed to improve unacceptable behavior or job performance, or the employee's conduct is severe enough to preclude corrective action. A regular, full-time or regular, part-time employee may appeal a dismissal pursuant to the City's grievance procedures.

Probationary employees, temporary employees, limited-term employees and other at-will employees may be discharged at any time without cause or for any lawful reason by the Mayor, City Manager or Department Head. At the pre-disciplinary meeting, the employee will be given the opportunity to respond to the allegations in the Notice of Intent to Discipline and offer explanations and/or present evidence and reasons supporting mitigation. No witnesses will be permitted at the informal meeting. This will not be an evidentiary hearing. Neither the City nor the employee will not be permitted to have a representative present at the pre-disciplinary meeting.

If the contemplated discipline is termination, the Mayor's recommendation will be placed on the agenda for the executive session of the next regular meeting of the City Council. During the executive session, the employee will be given the opportunity to respond to the allegations in the Notice of Intent to Discipline and offer explanations and/or present evidence and reasons supporting mitigation. No witnesses will be permitted to address the Council during executive session. This will not be an evidentiary hearing. The employee may have a representative present for the presentation to the City Council. After hearing from the employee, the Council will excuse the employee and discuss the proposed termination. A vote will be taken during the public portion of the meeting.

After taking the employee's response into consideration, a Notice of Final Action shall be issued to the employee if it is determined that discipline is warranted. The Notice of Final Action shall specify the final action to be taken, and the factual basis on which the final action is based, state the time, date, and location of the pre-disciplinary meeting, persons present, the effective date of the final action, and the employee's right to appeal the disciplinary action.

During this period, the employee continues to accrue benefits as if he were still on duty.

Employees on paid administrative leave shall be available in person and telephonically between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday. Failure to comply or attend any scheduled meetings as directed by the employee's supervisor shall constitute an unauthorized leave without pay. The supervisor will document the administrative leave and include expectations of the employee while on leave, including but not limited to the return of City equipment.

Administrative leave with pay under these circumstances does not constitute discipline and may not be appealed under the City's grievance procedures.

This also includes adjustments to ensure that a qualified individual with a disability has rights and privileges in employment that are equal to those of nondisabled employees. When an applicant or employee makes it known they need a modification or adjustment, the supervisor or official to whom the request is made will consider this as a request for a reasonable accommodation and promptly forward the request to the City Manager. There may also be circumstances where it is obvious that an employee has an impairment that is impacting the employee's ability to perform the essential functions of the job. In such instances, the supervisor should promptly refer the matter to the City Manager.

When an individual with a disability can be reasonably accommodated without creating an undue hardship or causing a direct threat to workplace safety, he or she will be given the same consideration for employment as any other applicant. Applicants who pose a

direct threat to the health, safety and well-being of themselves or others in the workplace when the threat cannot be eliminated by reasonable accommodation will not be hired.

The City will reasonably accommodate qualified individuals with a disability so that they can perform the essential functions of a job unless doing so causes a direct threat to these individuals or others in the workplace and the threat cannot be eliminated by reasonable accommodation or if the accommodation creates an undue hardship to the City. Contact the City Manager with any questions or requests for accommodation.

All employees are required to comply with the City's safety standards. Current employees who pose a direct threat to the health or safety of themselves or other individuals in the workplace will be placed on leave until a decision is made in regard to the employee's immediate employment situation.
