RE: 2022-2023 Cooperative Agreement Program Project Proposal

The City of Rio Communities is pleased to present the following application for funding under the Cooperative Agreement Program for 2022-2023. This proposal was prepared by HDR Engineering who conducted the requisite site inspection and performed a thorough analysis of road use and conditions.

Following are aerial photographs and a street view that depict the specific project location, in this instance— a single project— Don Diego is one of the streets that is at the top of the priority list for removal and replacing approximately 1,130 ft of existing roadway pavement. Additionally, Resolution 2022-XX is included that certifies full acceptance of this single project by our governing body.

As Mayor, I hereby certify that the enclosed proposed scope of work is necessary for the public good and their convenience and is integral to the economic development of our community.

If you have questions or concerns, please contact me at 505-861-6803.

Thank-you in advance for your assistance in our efforts to improve our community.

Sincerely,

Joshua Ramsell
