Background and Discussion

On February 16, 2019, a Notice of Violation was served on Jeanie Spier, the owner of 483 4th Avenue. There was some initial progress in removing the trash and garbage stored in the front yard of that property. However, the situation soon reverted and Administrative Citations were issued to the property owner on November 24, 2019 and on June 1, 2020. There was minimal response to these citations and they have not been paid. On July 6, 2020, Jeanie Spier was served with a Notice of Nuisance and Order to Abate. When there was no action in response to this document, an abatement warrant was sought from the court. On September 2, 2020, December 28, 2021, September 22, 2023, and February 10, 2026 abatements were completed at the property, removing the solid waste, trash and junk vehicles from the front yard. The City's costs for the abatement on February 10, 2026 were determined to be \$2,810.84. This cost assessment was sent via certified mail to the property owner on March 9, 2026. She has not made any attempt to pay or make a plan with the City for this debt.

Rio Dell Municipal Code (RDMC) Sections 8.10.310 through 8.10.330 cover the cost recovery process. RDMC Section 8.10.330 references the California Government Code Section 38773.5 which spells out the process for establishing taxes and assessments. This process requires two meetings, a public meeting followed by a public hearing.
