

RESOLUTION NO. 1582-2023
ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2023-24 FUNDED BY
SB 1 – THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of Rio Dell are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City of Rio Dell must adopt by resolution a list of all projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City of Rio Dell will receive an estimated \$83,727 in RMRA funding in Fiscal Year (FY) 2023-24 from SB 1; and

WHEREAS, this is the seventh year in which Rio Dell is receiving SB 1 funding and will enable Rio Dell to continue essential road maintenance and rehabilitation projects, safety improvements, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, Rio Dell has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

WHEREAS, the City of Rio Dell used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City of Rio Dell maintain and rehabilitate City streets and roads throughout Rio Dell this year and similar activities into the future; and

WHEREAS, the 2020 California Statewide Local Streets and Roads Needs Assessment found that Humboldt County’s streets and roads are in “at-risk” condition and this revenue will help the City of Rio Dell increase the overall quality of our road system and over the next decade assist with bringing our streets and roads into a “good” condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials, and practices, will have significant positive co-benefits statewide.
