

## 10/02/24 Marshal Report

### Activities/Calls

- Over 25 calls and traffic stops.
  - 2 VIN inspections
  - Traffic stops included speeding of 44 MPH in 30 MPH Zone.
  - Assisted Ranchester Fire Department with medical calls.
  - Citations issued for speeding.
  - No speed enforcement in the newly extended 30 MPH Zone.
  - Other calls included animal related, traffic complaints, abandoned vehicles, drug activity, neighbor dispute, and parking complaints.
  - Call reference to a helicopter landing at a residence
  - Call in reference to a large car sized drone in the area (Locally owned and used for spraying).
- Covered front desk of Town Hall for staff vacations.
- K9 Training with Georgia K9 Instructors.
  - K9 Freyja earned two additional certifications (Expert Level III Field & Urban Level I).
  - Most of the training for Freyja was done working on tactical trailing and aged trails.
  - The additional certifications make K9 Freyja the highest certified search and rescue K9 in Wyoming.
- Completed homeland security grant reimbursement requests.
- Made upgrades to Town computer network.

### Upcoming Information

- Annual K9 re-certification for K9 Freyja.
- K9 Demonstration at Slack School.

### Marshal's Message

***Be sure your home address is clearly marked. Some addresses in the Town do not conform with others around them. Ambulance personal may not be from this area. A clearly visible address is your best insurance for a quick emergency response.***
