Subject: Resident request for **No Engine Brake** sign on Liberty Street

We have received a few requests via See, Click, Fix: for a No Engine Brake sign on Liberty Street. The See, Click, Fix posts state there are numerous trucks throughout the day that use engine brakes on Liberty Street.

A review of the area was conducted by Sergeant Robert LeGrice of the Special Operations/Traffic Unit. Based on that I would like to request 2 **No Engine Brake** signs be installed on Liberty Street.

Once installed we will monitor the area for compliance.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Anthony T. Marag".
