

**Council Order: 2025-037**

**Introduced By: Town Manager Brian Howard  
June 9, 2025**

**Transfer of General Fund Free Cash to FY25 General Fund Debt Budget**

To see if the Randolph Town Council will vote to approve a transfer of \$672,306 to the FY25 General Fund debt budget.

**Explanation:** During the development of the FY25 debt budget, an insufficient amount was provided by the Collector/Treasure to cover the budget cost of short-term interest. This transfer will ensure that our debt needs are properly met.
