Transfer of Ambulance Receipts to Purchase CPR Machines

To see if the Randolph Town Council will vote to transfer \$38,000 from the ambulance receipt reserved account to support the purchase of two (2) CPR machines and related ambulance expenses.

Explanation: These funds are being used to purchase two (2) LUCAS Automatic Compression Devices that have reached their ten-year end of service date. After ten years they can no longer be certified. These devices are used in each of the ambulances. If we purchase before July 1st we are guaranteed a trade-in of \$5,000 for each unit. Any additional funds will be used to purchase additional supplies for the ambulance.
