RE: Belcher Estates
George M. Lovering Circle

Dear sirs:

On December 7, 2021, the Randolph Planning Board reviewed the records related to the above-named subdivision and unanimously voted *that the requirements for work on the ground called for by the conditional approval of **Belcher Estates** have been completed to the satisfaction of the Town Engineer and the Planning Board*; the project is deemed complete.

The Planning Board recommends acceptance of **George M. Lovering Circle** by the Randolph Town Council to become a public way. Until such vote and actions are taken by the Town Council, the street remains a private way and the responsibility of the owner(s) for maintenance.

On behalf of the Randolph Planning Board,

Michelle R. Tyler
Director of Planning
