

TOWN OF RANDOLPH, MASSACHUSETTS PROCLAMATION

WHEREAS, hydrocephalus is a neurological condition caused by an abnormal accumulation of cerebrospinal fluid in the brain, which can affect individuals of all ages; and

WHEREAS, hydrocephalus may be present at birth or develop as a result of injury, infection, tumors, hemorrhage, or other medical conditions; and

WHEREAS, individuals living with hydrocephalus and their families may face lifelong challenges involving diagnosis, treatment, medical care, and quality of life; and

WHEREAS, increased public awareness and understanding of hydrocephalus can help promote earlier recognition, appropriate medical care, support for affected individuals and families, and continued research; and

WHEREAS, healthcare professionals, researchers, advocates, families, caregivers, and individuals living with hydrocephalus work together to advance education, treatment, and support for the hydrocephalus community;

NOW, THEREFORE BE IT PROCLAIMED, that September is hereby recognized as Hydrocephalus Awareness Month in the Town of Randolph, in recognition of the experiences and contributions of people living with hydrocephalus, the dedication of caregivers and healthcare professionals, and the importance of increasing awareness, understanding, support, compassion, and hope for all those affected by hydrocephalus.

SIGNED AND ENTERED THIS 28th DAY OF SEPTEMBER 2026.
