Att: William Alexopoulos, President

**Re: 16 Fencourt Avenue, Randolph, MA
Application for Special Permit**

Dear Mr. Alexopoulos and Members:

It is my understanding that the engineering review being prepared for the Randolph Conservation Commission in connection with the proposed Fencourt Avenue development project has not yet been completed and that final ConCom action with respect to the project is contingent upon it. That being the case, I respectfully request that the Public Hearing on this matter before the Council, currently continued until October 16, 2023, be further continued until **December 11, 2023**.

By way of this letter, the Applicant consents to both the continuance of the Special Permit and the Site Plan and Design Review processes to December 11, 2023.

Thank you for your kind consideration in this matter.

Very truly yours,
