Att: William Alexopoulos, President

**Re: 16 Fencourt Avenue, Randolph, MA
Application for Special Permit**

Dear Mr. Alexopoulos and Members:

Since my last communication to you regarding the proposed Fencourt Avenue development, the Applicant and I have had the opportunity to meet with representatives of both the Randolph Fire Department and the DPW to work through some questions and concerns which came out of our initial meeting with the Plan Review Authority ("PRA"). As a result of those meetings, the Applicant's Engineer is now in the process of making some adjustments to the plan set previously submitted. Once those changes and additions have been completed, we will be in position to again engage with the PRA. We anticipate that several additional meetings with the PRA will be required to complete their process. That being the case, I am respectfully requesting that the Public Hearing on this matter before the Town Council, currently continued until January 23, 2023, be further continued until your latest Agenda in March, 2023 or to such other Meeting as the Council may elect.

Thank you for your kind consideration in this matter.

Very truly yours,
