

TOWN OF RANDOLPH, MASSACHUSETTS PROCLAMATION

WHEREAS, breast cancer is the second most common cancer among women in the United States, with **1 in 8 women** developing invasive breast cancer over the course of their lifetime; and

WHEREAS, early detection remains the most effective tool in the fight against this disease, significantly increasing treatment options and survival rates through regular screenings and mammograms; and

WHEREAS, disparities in healthcare access can prevent individuals from receiving life-saving screenings, making community-focused outreach and localized medical services vital to public health; and

WHEREAS, the Town of Randolph is deeply committed to the health and well-being of all its residents, striving to remove barriers to essential preventative care; and

WHEREAS, in a dedicated effort to protect and support our community, the Town of Randolph has formed a vital **partnership with the Dana-Farber Cancer Institute** to bring the **mobile mammography van** directly to our community, providing free, accessible screening mammograms to eligible residents;

NOW, THEREFORE on behalf of the Town of Randolph, Massachusetts, we do hereby proclaim October 2026 as **BREAST CANCER AWARENESS MONTH** in the Town of Randolph, and urge all residents to learn about the risks of breast cancer and speak with their healthcare providers about regular screenings.

SIGNED AND ENTERED THIS 5th DAY OF OCTOBER 2026.
