

**Council Order: 2025-046**

**Introduced By: Town Manager Brian Howard

**Transfer of General Fund Free Cash for Night Before the 4<sup>th</sup> Celebration**

To see if the Randolph Town Council will vote to transfer \$65,000 from General Fund free cash for costs associated with the Night Before July 4<sup>th</sup> Celebration.

**Explanation:** These funds are used for annual town celebrations. The event that costs the most is the Night Before the Fourth Parade and Fireworks. The fireworks portion alone costs almost \$25,000. Bands can cost between \$2,500 and \$10,000. We ask for the Town Council support to keep these community events going for the next fiscal year.
