Re: Monthly BOC Report

During the month of May officers conducted three-hundred and twenty-six events. Robbins officers seized seventy-nine grams of a variety of narcotics. Officers conducted several community events as well as ordinance violations.

I would like to highlight that some major ordinances have been addressed and are currently starting the procedures of getting the violations completed and areas cleaned up.

During some extensive interviews and background checks I have made a conditional offer for the open position of patrol officer. I will have more to report in July.

I would like to thank the Board of Commissioners for your continued support for the Robbins Police Department.
