Re: Monthly BOC Report

In September, Robbin's officers conducted four hundred and twenty-eight events. I would like to highlight that in September, in a combined effort the Robbins Police Department initiated a successful drug bust. The Town Manager will give an update on this event during the meeting.

In September, I went through the ordinance list and I am proud to say that the community has been doing what is necessary to comply. The Town Manager will have a copy of the type of violations issued.

I would like to highlight Robbins Officers attended multiple classes to further their professional careers in law enforcement. Lieutenant Dunlap completed Police Law Institute (PLI), two full weeks of classroom attendance and hands-on activities. Sergeant Hurley attended multiple drug interdiction classes and an introduction class to K-9. Officer Rosas completed radar school. Officer Prevatte has started full-time and has already hit the ground running by making several arrests.

I would like to thank you for your continued support for the Town of Robbins and the Robbins Police Department.
