Board Meeting

October 13,2022

Board Members,

Attached you will find the summary totals for the month of September. During the month of September all Robbins Officers were extremely busy within the town fighting crime and assisting the community where needed. I am happy to report that the method that has been put into place on combating drugs is 100% in effect and we are seeing great results. When I started in January the seizure rate until now has been outstanding, which means the Robbins Police Officers have been doing their duty and getting theses terrible drugs off the streets of Robbins. Please assist me in thanking them for all their hard work for this amazing town and its citizens.

Update on Ordinance Violations

We have several violations pending through the court for failure to comply with the Ordinances. Officers are currently going zone to zone that has been created and speaking with the citizens of Robbins about the violations. I am happy to say that most of the citizens in Robbins comply with just a simple knock and talk, with no further action required by the Officer.

Again, I would like to thank you all for your continued support for the RPD crew and thank you for what you do for the Town of Robbins every day.

Chief Benjamin Haddock

Clint Mack
