Re: Monthly BOC Report

During February, Robbins Officers conducted a total of four- hundred and sixteen(416) events. I would like to highlight officers seized a total of one- hundred and forty-nine (149) grams of various types of narcotics. Officers also assisted the Moore County Sheriff's Office with multiple calls ranging from traffic stops to warrant service.

Lieutenant Dunlap and Officer Prevatte have been enrolled in General Instructor School and will begin their two-week class this month. After the completion of this training, both officers will be certified to teach a range of classes within the department and outside agencies.

Thank you for the continued support of the citizens and the Robbins Police Department.
