Re: Monthly BOC Report

In July, Robbin's officers conducted three-hundred and seventy-eight events. I would like to highlight that in July, a total of fifty-seven grams of narcotics were seized from multiple people during traffic stops. The Town Manager will have copies of the narcotics seized during this time frame.

In July, Sergeant Corey Hurley completed his Crisis Intervention Team ( CIT ) training. Lieutenant Jody Dunlap completed Child Death Investigations training. Officer Cristian Rosa's completed Basic Radar training and is now equipped with a radar in his patrol vehicle.

Officer William Jackson has accepted a position with the North Carolina State Highway Patrol and effective August 5, 2023, will be his official last day with the Robbins Police Department. We would like to wish him the best of luck during his new journey, and we thank him for his dedicated service to the Town of Robbins and its citizens.

Officer Zachary Prevatte has officially started with the Robbins Police Department full-time. Officer Prevatte brings seven years of professional experience and has already hit the ground running to ensure the citizens of Robbins are safe.

I would like to thank you for your continued support for the Town of Robbins and the Robbins Police Department.
