

**ROCHELLE CITY COUNCIL  
AGENDA ITEM MEMO  
REGULAR MEETING**

**SUBJECT:** Agreement with Singh and Associates for the Lighting Design on Rte. 251

**Staff Contact:** Blake Toliver Superintendent of Electric Operations

**Summary:** With IDOT in the planning stages for the reconstruction of route 251 staff thought it would be best to engage the same engineering firm as IDOT to develop the new lighting design. This design will allow for new fixtures to be placed on both sides of the roadway from Walgreens to Flagg Rd. By using the same firm as IDOT we will avoid any conflicts with the drainage and other utility installations being performed with the new construction. TIF funds will be utilized for the design and construction of this lighting. We intend on using the same style of fixtures placed near Walmart and 20<sup>th</sup> St.

**Funding Sources:**
