Eric Crawford,

Thank you for allowing Alta Equipment to quote you on a new Simex PLC planer for your Bobcat T77 Skid Loader. There are a few sizes that are available. Please see below:

Simex PLC 30 with removal belt **\$ 41,890.00**

- Asphalt type teeth
- Independent left and right hydraulic depth adjustment
- Hydraulic side shift with universal couplings
- Removal belt to discharge material to the right or left of the trench

These units are priced as FOB at our Ottawa yard.
Some setup will be required at our shop.
This quote is valid for 30 days from the above date.

Thank You
Chris Mazzoni
630-816-5001
