SUBJECT: An Ordinance Deleting One Class C Liquor License and Creating One Class P-2 Liquor License for Amisa Inc., D/B/A Rochelle Shell.

Staff Contact: City Clerk, Rose Huéramo

Summary: ASIF Quddus, on behalf of Amisa, Inc., d/b/a Rochelle Shell, located at 505 W. Highway 38, has submitted a request to upgrade Amisa, Inc.'s current Class S Liquor License to a Class P-2 Liquor License.

Class S licenses authorize the retail sale of packaged beer and wine only, not for consumption on the premises where sold, for businesses known as fueling stations, gas stations, or convenience stores.

Class P-2 licenses authorize the retail sale of packaged alcoholic liquor, but not for consumption on the premises where sold. The holder of a Class P-2 license may arrange for alcoholic liquor tastings and consumption within the area of the licensed premises used for displaying packaged alcoholic liquor. The number and size of such samples distributed shall not exceed the maximums set forth in 235 ILCS 5/6-31, as amended from time to time.

The Liquor Commissioner, Mayor Bearrows, has reviewed the application and has no objection to the creation of a Class P-2 liquor license for Rochelle Shell. This action will result in a total of four Class P-2 liquor licenses.

Strategic Plan Goal Application: Small Business Development & Retention

Recommendation: Approve a Resolution Recognizing a Change in D/B/A from Clark Gas to Rochelle BP Gas Station.
