REGULAR MEETING 03/24/2020
AGENDA ITEM NO.**

SUBJECT: Ordinance allowing City Manager to waive utility penalties

Staff Contact: Jeff Fiegenschuh

Summary:

During these difficult financial times I feel it is important for the utility to extend as much assistance to our residential customers as possible. Like we did during the Covid-19 Pandemic, I am requesting that you approve an ordinance allowing the City Manager to waive all late fees for residential customers through December 31st 2025. The ordinance affects residential accounts only, all late fees for commercial and industrial will remain in effect.

Recommendation: Authorize an Ordinance allowing the City Manager to waive all utility payment late fees through December 31, 2025.
