Greetings on behalf of Rochelle Chapter, National Society Daughters of the American Revolution.

America's 250<sup>th</sup> birthday will be celebrated in 2026, which is only a few years away. The Daughters of the American Revolution (DAR) have announced its partnership with the America 250 Foundation, and our chapter is planning ways that our community can celebrate this important event.

As we plan to celebrate America's birthday, we also strive to honor the brave men and women who served and sacrificed for the cause of America's freedom. Rochelle Chapter is interested in sponsoring the placement of one or more America 250 Patriot Markers within our community, as part of an eventual coast-to-coast chain across the United States; and we are writing to ask your interest in a Patriot Marker being placed at the War Memorial at Lawnridge Cemetery.

While we are currently in a planning phase, we anticipate raising funds as soon as site selection is finalized. The Patriot Markers are bronze plaques measuring 30" x 30" for the standalone version. An example of the Patriot Marker is enclosed so you may visualize the marker's appearance. The text will be customized to reflect the sponsoring organization.

We look forward to meeting with you to discuss this project with you or provide a short presentation at your request.

Respectfully,

# Revolutionary War Patriots

This marker commemorates the men and women who achieved American independence.

These Patriots, believing in the noble cause of liberty, fought valiantly to found a new nation.
