Make sure to include description and model number on the PO to Honeywell as well as all the other information you have included in the past. Craig Pratt can assist with getting CPEC and MeterCat program for meters being ordered for the first time. Must have CSPEC and Meter program on file for order to be accepted. Copy Craig Pratt and Scott Mossbrooks on all orders emailed to Honeywell.

<u>Line Item:</u>	<u>Meter Family:</u>	<u>Meter Description</u>	<u>QTY</u>	<u>Sales Price Each</u>
