RESOLUTION NO. ____

**A RESOLUTION WAIVING COMPETITIVE BIDDING REQUIREMENT AND
AUTHORIZING THE PURCHASE OF A CLOSED-CIRCUIT TELEVISION SYSTEM
FROM BECKTECH**

WHEREAS, Section 7 of Article VII of the 1970 Constitution of the State of Illinois provides that a municipality that is not a home rule unit shall only have the powers granted to them by law and as such the City of Rochelle, Ogle County, Illinois being a non-home rule unit pursuant to the provisions of said Section 7 of Article VII, and may exercise only the powers expressly granted by law; and

WHEREAS, the Illinois General Assembly granted non-home rule municipalities broad authority to “pass all ordinances and make all rules and regulations proper or necessary, to carry into effect the powers granted to municipalities.” 65 ILCS 5/1-2-1; and

WHEREAS, while “non-home rule municipalities have the authority to enact ordinances, such ordinances may in no event conflict with state law or prohibit what a state statute expressly permits . . . A local ordinance may impose more rigorous or definite regulations in addition to those enacted by the state legislature so long as they do not conflict with the statute.” (*Village of Wauconda v. Hutton*, 291 Ill. App. 3d 1058, 1060 (1997)); and

WHEREAS, the City of Rochelle’s current closed-circuit television (CCTV) video surveillance system is outdated and in need of replacement. The technology and clarity of cameras has greatly advanced since the original system was installed in the nineties; and

WHEREAS, the closed-circuit television system is used for monitoring activity inside and outside of the Police Department and City Hall. It is essential for security; and

WHEREAS, given that the City already utilizes Becktech for its security door monitors and radios, and that their CCTV systems do not require a monthly fee for maintenance, the City obtained a proposal from Becktech in the amount of \$111,686.76 for the purchase and installation of a new CCTV system for the Police Department and City Hall, a copy of which is attached as Exhibit A; and

WHEREAS, the City may waive competitive bidding requirements by a two-thirds vote of the City Council pursuant to 65 ILCS 5/8-9-1 of the Illinois Municipal Code and Section 2-371 of the Rochelle Municipal Code; and

WHEREAS, it has been determined by the Corporate Authorities of the City of Rochelle that it is in the best interest of the City and its residents to waive competitive bidding requirements and approve the purchase and installation of a new closed-circuit television system from Becktech.

**BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF
ROCHELLE, ILLINOIS:**

SECTION ONE: That the City hereby incorporates all of the recitals above into this Resolution as if fully set forth herein.

SECTION TWO: The Mayor and City Council of the City of Rochelle hereby waive competitive bidding requirements and authorize the City Manager or his designee to sign the purchase order attached herein as Exhibit A for the purchase and installation of a new closed-circuit television system by Becktech in the amount of \$111,686.76.

SECTION THREE: If any provision of this Resolution or application thereof to any person or circumstance is ruled unconstitutional or otherwise invalid, such invalidity shall not affect other provisions or applications of this Resolution that can be given effect without the invalid application or provision, and each invalid provision or invalid application of this Resolution is severable.

SECTION FOUR: Where the conditions imposed by any provisions of this Resolution are more restrictive than comparable provisions imposed elsewhere in any other local law, ordinance, resolution, rule or regulation, the regulations of this Resolution will govern.

SECTION FIVE: The City Clerk shall publish this Resolution in pamphlet form.

SECTION SIX: This Resolution shall be in full force and effect from and after its passage, approval and publication in pamphlet form as provided by law.

APPROVED THIS 25th day of March 2025
