

**ROCHELLE CITY COUNCIL
AGENDA ITEM MEMO
REGULAR MEETING**

SUBJECT: Resolution Eliminating Certain Boards and Committees

Staff Contact: City Clerk, Rose Huéramo

Summary: Resolution R96-3 approved in 1996 revised the Rochelle Municipal Code to end the current terms of all members of City Boards and Commissions as of June 30 and make new appointments to begin July 1.

In preparation for newly appointed terms, it was found the activity of these five boards and committees are no longer needed for the operation of the City's business. Currently Trucking Advisory Committee, Utility Advisory Board, Stormwater Advisory Commission, Airport Advisory Board, and Railroad Advisory Board have vacant openings. These past years has been difficult to find volunteers for these boards and committees to fill the vacancies. Any issues that these boards had discussed in the past are handled by staff and the city manager with direct reporting to the Mayor and City Council.

Recommendation: Approving Resolution to Eliminate the Utility Advisory Board, Stormwater Advisory Commission, Airport Advisory Board, and Railroad Advisory Board.
