

**ROCHELLE CITY COUNCIL  
REGULAR MEETING 6/24/24  
AGENDA ITEM NO. 2**

**SUBJECT:** Resolution to Waive Competitive Bidding and Hire Queens Trucking for the Fire Training Center Watermain Installation.

**Staff Contact:** Adam Lanning

**Summary:** The new fire training facility is in need of a watermain from the corner of south main and veterans parkway installed to the new facility approximately 1100 feet. In order to reduce costs and time, we solicited 3 bids from local contractors to install the main and the City would provide the materials. Queens trucking came in with the lowest bid at \$52,130 and would like to waive the competitive bidding requirements to keep this project moving forward. This bid does not include the cost of the watermain as we will purchase it directly to avoid any markups from the contractor.

**Funding Sources:**

Source:	Budgeted Amount (2024):	Proposed Expenditure:
Cash Reserve		\$52,130

**Recommendation:** Approve a resolution waiving competitive bidding requirements and hiring Queens Trucking and Construction Inc. in the amount of \$52,130.
