Re: **Flagg Road & 20th Street
Utility Improvements Rebid
WHA No. 1132D24**

Dear Mr. Tesreau:

Proposals for the rebid of the Flagg Road & 20th Street Utility Improvement Project were opened at City Hall at 10:00 A.M. on Thursday November 21, 2024. One (1) proposal was received.

No addenda were issued prior to the bid opening. The proposal was opened, reviewed for completeness, and the total amount read aloud. A tabulation of bids was later completed and verified in our office. A copy of the bid tabulation is attached for your review. Our engineer's estimate of cost was \$602,990.00. The bid of \$435,800.00 was \$167,190.00 and 27.7% under our estimate.

The proposal is also under the 2nd lowest bidder (low bidder withdrew their proposal) from the original project bid opening on May 30, 2024. A copy of the original bid tabulation is attached for reference.

Because this bid is competitive with the original project bids, we recommend the acceptance of the proposal submitted by Utility Dynamics Corporation for \$435,800.00
