AGENDA ITEM MEMO
REGULAR MEETING**

SUBJECT: A Resolution accepting the proposal from Utility Dynamics Corporation for the Flagg Rd and 20th St Utility relocation Project.

Staff Contact: Blake Toliver, Superintendent of Electric Operations

Summary:

Proposals for the rebid of the Flagg Road & 20 Street Utility Improvement Project were opened at City Hall at 10:00 A.M. on Thursday November 21, 2024. One (1) proposal was received. No addenda were issued prior to the bid opening. The proposal was opened, reviewed for completeness, and the total amount read aloud. A tabulation of bids was later completed and verified in our office. A copy of the bid tabulation is attached for your review. Our engineer's estimate of cost was \$602,990.00. The bid of \$435,800.00 was \$167,190.00 and 27.7% under our estimate. Because this bid is competitive with the original project bids, we recommend the acceptance of the proposal submitted by Utility Dynamics Corporation for \$435,800.00. We are asking to include a 15% contingency to allow for the city manager to approve extra work they may be discovered while completing this project.
