City of Rollingwood

Meeting Date: February 19, 2025

Submitted By:

Staff

Agenda Item:

Discussion and possible action to reschedule the Spring Clean-Up Event

Description:

The City holds an annual Spring Clean-up event in the upper park parking lot on one of the weekends surrounding spring break. This would consist of dumpsters being staged at the upper park parking lot and would be staffed for residents to dump bulky items. The event was previously approved for March 22-23 as staff did not have a preference, but this has since changed. Additionally, Western Hills Little League confirmed that they will not have any games that weekend. Residents will be notified of the event 3 weeks in advance with a 1 week reminder via Rave Alerts and the City website.

Action Requested:

To discuss and consider rescheduling the Spring Clean-Up event on March 15-16.

Fiscal Impacts:

No significant fiscal impact. The dumpsters will be covered by the Waste Connections contract.
