

# AGENDA ITEM SUMMARY SHEET

City of Rollingwood

March 17, 2021

---

**Submitted by:**

Wendi Hundley/ Amy Pattillo, Council Members

**Agenda Item:**

Discussion and possible action to direct City Administrator to provide report of up-to-date cost estimations for future funding consideration, including but not limited to: Valve and waterline location GIS study; Decommissioning old waterlines; Replacing water lines less than 2"; Cul-de-sac waterline project; Moving remaining backyard waterlines to the street; Replacing water meters; and any other projects identified through City Council discussion.

**Description:**

The City of Rollingwood has many outstanding water system projects. There are tax note funds available for infrastructure improvement projects as well as the potential for below market interest rate loans.

**Action Requested:**

Direct City Administrator to provide report of up-to-date cost estimations for projects identified by City Council to bring back to Council for future discussion and consideration.

**Financial Impacts:**

None

**Attachments:**None
