Agenda Item:

Public hearing regarding the "Landscape Architect for the Park (FY 2026)" project

Description:

The Landscape Architect for the Park (FY 2026) project has not yet been completed, as Sitio Design is still working closely with the Park Commission and staff on the designs for improvements to the parking lot and off-leash area. Improvements include landscape design for the improvements, including topographical survey and landscape architect drawings.

The Rollingwood Community Development Corporation (RCDC) has discussed and, through RCDC Resolution 2025-10-20-06, approved this project. City Council will meet on August 19, 2026 to consider adopting a resolution authorizing this RCDC project funds to be used to reimburse the city for the expenses that it has incurred and will incur on the project.

Action Requested:

To provide the public with the opportunity to express their opinions about the project

Fiscal Impacts:

This public hearing has already cost RCDC approximately \$139 in advertising costs (see attached invoice), and is not expected to have any additional fiscal impact
