Agenda Item:

Public hearing regarding the "Boulder Retaining Wall for the Upper Park (FY 2025)" project

Description:

The Boulder Retaining Wall for the Upper Park (FY 2025) has been completed. Improvements include the construction of a retaining wall in the upper park immediately north of the fieldhouse for stormwater mitigation.

The Rollingwood Community Development Corporation (RCDC) has discussed and, through RCDC Resolution 2023-11-13-04, approved this project. City Council will meet on August 19, 2026 to consider adopting a resolution authorizing this RCDC project funds to be used to reimburse the city for the expenses that it has incurred on the project.

Action Requested:

To provide the public with the opportunity to express their opinions about the project

Fiscal Impacts:

This public hearing has already cost RCDC approximately \$139 in advertising costs (see attached invoice), and is not expected to have any additional fiscal impact
