

Sec. 20-76. - Trail use.

- (a) No person may operate or use a vehicle in any city park facility on a trail or path not designated for that use, except city personnel engaged in park maintenance, or emergency vehicles in cases of necessity or emergency.
- (b) On any hike-and-bike trails, right-of-way will be yielded by the greater power to the lesser power (i.e., bicyclists will yield to joggers and joggers will yield to walkers).
- (c) Pedestrians using any hike-and-bike trail will not stand, walk or run more than two abreast when this action will impede traffic on the trail. Trail users must make every effort to leave ample room on the trail for others to pass safely.
- (d) Bicyclists using any hike-and-bike trail must not ride more than two abreast when this action will impede traffic on the trail. Bicyclists must operate their vehicles in a safe and prudent manner and must make every effort to ensure ample room is left on the trail for others to pass safely.
