

AGENDA ITEM SUMMARY SHEET

City of Rollingwood

Meeting Date: March 19, 2025

Agenda Item:

Discussion and possible action on Resolution 2025-03-19-05 suspending the effective date of the implementation of interim GRIP rate adjustments by Texas Gas Service Company.

Description:

Last month, Texas Gas Service Company made filings with the City of Rollingwood and the Railroad Commission of Texas proposing to implement interim rate adjustments (“GRIP Rate Increases”) of \$3.36 per customer, per month, pursuant to Texas Utilities Code § 104.301. This will increase the current residential customer charge by over 18%, from \$18.00 to \$ 21.36 per month.

This resolution, if passed and adopted, would formally suspend the April 12, 2025 effective date of the company’s rate increase for the maximum period permitted by law. This suspension will allow the City, working in conjunction with other similarly situated cities and the City’s legal counsel at Lloyd Gosselink Rochelle & Townsend, P.C., to evaluate the filing and determine whether the filing complies with the law, and if lawful, to determine what further strategy, including settlement, to pursue.

The City has until April 12, 2025 to adopt a resolution suspending the date the rate increase would otherwise go into effect.

Action Requested:

To take action on Resolution 2025-03-19-05 suspending the effective date of the implementation of interim GRIP rate adjustments by Texas Gas Service Company.

Fiscal Impacts:

Approval and adoption of this resolution would not have a fiscal impact on the City.
