Agenda Item:

Follow up presentation by AlterStudio regarding the assessment of residential building height and proposed height measurement using properties located at 2403 Bettis Boulevard, 5 Rock Way Cove, 4715 Timberline Drive, and 4902 Timberline Drive

Description:

During this agenda item, a representative from AlterStudio will present to Council three-dimensional models of the proposed revisions to the residential building height ordinance. In addition to their last presentation, AlterStudio will also show a 6' person, and a sample house in the model, so that the scale of the permissible building volume is easier to picture.

Action Requested:

No action is necessary for this item.

Fiscal Impacts:

This item, which involved a minimal expenditure, has already been budgeted by Council.
