

AGENDA ITEM SUMMARY SHEET

City of Rollingwood

Meeting Date: March 10, 2026

Submitted By:

Staff

Agenda Item:

Discussion and possible action on treatment solutions for mosquitos in the lower park area

Description:

Park Commission member Sean Downing requested to discuss mosquito treatment and possible solutions.

Currently, the Public Works team treats mosquitos by using mosquito tablets to kill mosquito larvae in standing water when needed.

Action Requested:

To discuss and consider possible improvements for mosquito treatment in the lower park.

Fiscal Impacts:

Fiscal impact depends on any action made by the Commission.
