

ELECTION AGREEMENT BETWEEN TRAVIS COUNTY AND THE CITY OF ROLLINGWOOD

Pursuant to Chapter 31, Subchapter D, Chapter 123, and Chapter 271 of the Texas Election Code and Chapter 791 of the Texas Government Code, Travis County (the "County") and the City of Rollingwood ("Participating Entity") enter into this agreement (this "Agreement") for the Travis County Clerk, as the County's election officer (the "Election Officer"), to conduct the Participating Entity's elections, including runoffs, and for the Participating Entity's use of the County's current or future-acquired election equipment for any voting system that the County adopts, as authorized under Title 8 of the Texas Election Code, for all Participating Entity elections. The purpose of this Agreement is to maintain consistency and accessibility in voting practices, polling places, and election procedures in order to best assist the voters of the Participating Entity.

Section 1. GENERAL PROVISIONS

- (A) Except as otherwise provided in this Agreement, the term "election" refers to any Participating Entity election, occurring on any uniform election date prescribed by the Texas Election Code or a primary election date, along with any resulting runoff, if necessary, within all Participating Entity's territory located in Travis County. If a runoff is necessary, the Participating Entity shall work with the Election Officer to determine a mutually acceptable run-off date. In the event that the Participating Entity (and any other entity for which the County is providing election services or for which the County is conducting a joint election) do not agree on a run-off date, the Participating Entity agrees to whichever run-off date is selected by the Election Officer.
- (B) If the Participating Entity determines it is necessary to conduct an election during a time other than that specified in Section 1(A), the Election Officer and a representative designated by the Participating Entity will meet as soon as possible thereafter to determine the feasibility of the Election Officer conducting such an election. If both parties agree that the Election Officer will administer the election, the new election will be based on all other applicable provisions of this Agreement except provisions that are inconsistent and cannot be feasibly applied.
- (C) Except as otherwise provided in this Agreement:
 - (1) The term "Election Officer" refers to the Travis County Clerk;
 - (2) The term "precinct" means all precincts in the territory of the Participating Entity located within Travis County.
 - (3) The term "election services" refers to services used to perform or supervise any or all of the duties and functions that the Election Officer determines necessary for the conduct of an election.
 - (4) The term "cost for election services" includes the costs for personnel, supplies, materials, or services needed for providing these services as

permitted by the Texas Election Code but does not refer to costs relating to the use of the voting equipment.

- (D) Except as otherwise provided in this Agreement, the cost for “use of voting equipment” for a particular election is the amount the County will charge the Participating Entity for use of the County’s voting equipment in use at the time of that election.
- (E) The Participating Entity agrees to commit the funds necessary to pay for all election-related expenses for Participating Entity elections in accordance with this Agreement.
- (F) The Election Officer has the right to enter into agreements with other entities at any time, including during the dates or time periods listed in Section 1(A).
- (G) As a condition for providing election services and equipment usage, the Election Officer may require authorities of political subdivisions holding elections on the same day in all or part of the same territory to enter into a joint election agreement as authorized in Chapter 271 of the Texas Election Code, and the Participating Entity agrees to enter into any joint election agreement required by the County.

SECTION 2. PARTICIPATING ENTITY’S USE OF VOTING EQUIPMENT; DUTIES OF THE ELECTION OFFICER AND OF THE PARTICIPATING ENTITY

The County shall make available to the Participating Entity the County’s current voting system and any future-acquired voting system as authorized under Title 8 of the Texas Election Code, subject to restrictions and conditions imposed by the Election Officer to ensure availability of the equipment for County-ordered elections, primary elections, special elections, and subsequent runoff elections, if applicable. The Election Officer may also impose restrictions and conditions to protect the equipment from misuse or damage.

SECTION 3. APPOINTMENT OF ELECTION OFFICER

- (A) The Travis County Election Officer (“Election Officer”) is appointed to serve as the Participating Entity’s Election Officer and Early Voting Clerk to conduct the Participating Entity’s elections described in Section 1.
- (B) As the Participating Entity’s Election Officer and Early Voting Clerk, the Election Officer shall coordinate, supervise, and conduct all aspects of administering voting in Participating Entity elections in compliance with all applicable laws, subject to Section 3(C) below.
- (C) The Participating Entity shall continue to perform those election duties listed in (1) through (7) below and any other election duties, such as receipt of candidate applications, that are not allowed to be delegated to another governmental entity:

- (1) preparing, adopting, and publishing all required election orders, resolutions, notices, and other documents, including bilingual materials, evidencing action by the governing authority of the Participating Entity necessary to the conduct of an election, except that:
 - a. The Election Officer may provide newspaper notices on behalf of the Participating Entity with respect to a specific election if:
 - i. Not later than 60 days before election day for that election, the Participating Entity submits a written request to the Election Officer to provide newspaper notices on behalf of the Participating Entity, provides the Election Officer the content of the notices and information as which newspapers those notices are to be published and the dates of publication and any other information required by the Election Officer for providing newspaper notices, and
 - ii. The Participating Entity pays the Election Officer all costs associated with providing the newspaper notices.
 - b. With respect to each debt obligation election the Election Officer conducts for the Participating Entity pursuant to this Agreement:
 - i. The Election Officer, after receiving from the Participating Entity a copy of the debt obligation election order, shall post the notice required by and in accordance with Texas Election Code Section 4.003(f)(1) on election day and during early voting by personal appearance, in a prominent location at each polling place;
 - ii. The Election Officer shall provide written confirmation that to the Participating Entity that the debt obligation election order was posted in accordance with Texas Election Code Section 4.003(f)(1); and
 - iii. The Participating Entity shall pay any applicable expenses incurred by the Election Officer that directly relates to the posting required by Texas Election Code Section 4.003(f)(1).
- (2) Preparing the text for the Participating Entity's official ballot in English and Spanish and any other languages as required by law;
- (3) Providing the Election Officer with a list of candidates or propositions showing the order and the exact manner in which the candidates' names and the propositions are to appear on the official ballot;
- (4) Conducting the official canvass of a Participating Entity election;
- (5) administering the Participating Entity's duties under state and local campaign finance laws;
- (6) having a Participating Entity representative serve as the custodian of its election records; and

- (7) Filing the Participating Entity's annual voting system report to the Secretary of State as required under Texas Election Code Chapter 123.
- (D) The Participating Entity shall also be responsible for proofing and attesting to the accuracy of all ballot language, including any required language translations, and format information programmed by the County. This includes any information programmed for use with the audio or tactile button features of the equipment. The Participating Entity will also monitor and review all logic and accuracy testing and mandatory tabulations. The Participating Entity will complete its duties within timeframes as prescribed by the County. If the Participating Entity finds any discrepancies or concerns, it will immediately report them to the Election Officer and work with her to resolve any issues so that final approval can be reached. The Participating Entity shall be responsible for any and all actual costs associated with correcting the ballot and ballot programming if the error is discovered after the Participating Entity has signed off on its final proof containing the error.
- (E) The City Secretary will assist the County whenever possible when the conduct of the election requires assistance from Participating Entity departments and staff. The City Secretary will serve as the Regular Early Voting Clerk for the Participating Entity to receive requests for applications for early voting ballots and forward these applications to the Joint Early Voting Clerk. The City Secretary will serve as the Custodian of Records for the Participating Entity to complete those tasks in the Texas Election Code that the Election Officer will not perform.

SECTION 4. ELECTION WORKERS AND POLLING PLACES

- (A) For presentation to the governing body of the Participating Entity, the County shall provide a list containing the locations, times, and dates of early voting polling places suitable for consideration and adoption by the governing body in accordance with Texas Election Code Chapter 85. The Election Officer will designate and confirm all Election Day polling place locations.
- (B) The Election Officer will assume the responsibility for recruiting election personnel; however, if by the 5th day before the Election, the Election Officer reports vacancies in positions for election judges, alternate judges, election day clerks, early voting ballot board, receiving substation clerks, or any other key election personnel, the Participating Entity shall provide emergency personnel in these positions. All appointment of election judges and clerks will be in accordance with Chapter 32 of the Texas Election Code.
- (C) The Election Officer shall notify each of the election judges and alternates of their appointment and the eligibility requirements that pertain to them and to the selection of Election Day clerks. Included in this notification will be the number of clerks that each precinct should have in addition to the election judge and alternate judge. The election judges and/or the alternates are responsible for recruiting and

supervising their clerks.

- (D) All election workers must agree to attend training sessions as determined by the Election Officer. Costs for these training sessions and compensation for attendees will be included as part of the election services costs.
- (E) During any election and any subsequent runoff election that involve entities in addition to the Participating Entity, the Election Officer will work with all parties to find a plan that can be agreed upon regarding the designation of polling places. If agreement cannot be reached, the Election Officer will resolve the differences. **In all cases, the Election Officer has sole discretion to determine whether polling place changes are necessary.**

SECTION 5. PAYMENTS FOR ELECTION SERVICES

- (A) Costs and payments for the use of voting equipment are addressed separately in Section 6 of this Agreement.
- (B) Requests for Election Services. For each election the Participating Entity desires the Election Officer to conduct, the Participating Entity must submit a written request to the Election Officer that describes the general nature of the election and specifies the date of the election. Each request for election services, including each request for the Election Officer to conduct a runoff election, must be accompanied by a non-refundable payment of \$150 to the Election Officer.
- (C) Cancellations. On or before 11:59 p.m. on the 68th day before an election for which the Participating Entity has requested election services, the Participating Entity shall notify the Election Officer as to whether the Participating Entity anticipates the cancellation of its election, and on or before 11:59 p.m. on the 60th day before the election the Participating Entity shall notify the Election Officer as to whether the Participating Entity will cancel that election. If the Election Officer receives written notice from the Participating Entity on or before 11:59 p.m. of the 60th day before an election that the Participating Entity's election will be cancelled, the Participating Entity will accrue no further costs relating to that cancelled election.
- (D) Notice, Cost Estimate, Initial Invoicing, and Initial Payment.
 - (1) Notwithstanding the provisions in Section 9(B), the County and the Participating Entity agree that notice under Section 5 can be provided via e-mail. The following e-mail address will be used for e-mail communications to or from the County pursuant to Section 5: elections@traviscountytexas.gov, with a copy to Election.Entities@traviscountytexas.gov. The Participating Entity has designated City Secretary Ashley Wayman as the Participating Entity's representative for sending and receiving e-mail communications under Section 5, and the Participating Entity designates the following e-mail address as the Participating Entity's email address for sending and

receiving e-mail communications pursuant to Section 5:
awayman@rollingwoodtx.gov.

- (2) Initial Cost Estimate. On or before the 60th day before an election for which the Participating Entity has requested election services, the Election Officer will mail and/or email to the Participating Entity a cost estimate for conducting the election. The cost estimate will include an administrative fee that is equal to 10% of the total estimated cost of conducting the Participating Entity's election, excluding the costs of voting equipment. In the event of a joint election, the cost estimate will reflect that election costs will be divided on a pro rata basis among all entities involved in the election in the manner set forth in this Section 5. The proportional cost for the Election Officer to conduct each participating entity's election will be calculated by dividing the number of registered voters in the territorial jurisdiction of each participating entity by the total number of registered voters for all of the participating entities involved in the joint election and multiplying that quotient by the total cost of the election. The product of these numbers is the pro rata cost share for each participating entity. The Participating Entity acknowledges and understands that if any other participating entity listed in the cost estimate cancels its election, each remaining participating entity's pro rata cost (including the Participating Entity's pro rata cost share) will result in a proportionate cost increase.
- (3) Initial Invoice and Initial Payment. Along with the initial cost estimate, the Election Officer will also include an initial invoice for the Participating Entity to pay 75% of the initial cost estimate. The Participating Entity must pay the County the amount specified in each invoice no later than 30 days after the Participating Entity's receipt of the invoice.
- (4) Runoff Elections. For each runoff election the Participating Entity has requested that the Election Officer conduct, the Participating Entity must make a payment equal to 75% of the projected costs for the runoff election no later than three business days after receiving that cost estimate from the Election Officer. The projected share of election costs will include an administrative fee that is equal to 10% of the total estimated cost of conducting the Participating Entity's runoff election, excluding the costs of voting equipment.
- (5) Each party may change its respective email addresses for e-mail communications under this Section 5, without the need to amend this Agreement, by sending notice to the other party in accordance with Section 9(B).
- (F) Final Accounting and Final Invoice. The County will send the Participating Entity a final invoice of election expenses not later than 90 day unless the Election Officer notifies the Participating Entity during that 90-day period following the election that

the Election Officer requires additional time to send a final invoice to the Participating Entity. The final invoice will include a listing of additional costs incurred at the Participating Entity's behalf and specify the total payment due from the Participating Entity for any unpaid portion of the Participating Entity's costs.

- (1) Within thirty days after receipt of an election cost invoice setting forth the Election Officer's actual contract expenses and charges incurred in the conduct of the election, the Participating Entity shall pay the Election Officer the balance due on each final invoice no later than 30 days after the Participating Entity's receipt of that invoice.
 - (2) A refund may be due from the County to the Participating Entity if the final costs are lower than the amount already paid by the Participating Entity or if, at the end of the calendar year, the County Auditor's Office makes adjustments to the election workers' payroll and the amount already paid by the Participating Entity for election worker payroll costs exceeds the payroll amounts calculated by the County Auditor's Office.
- (G) The Participating Entity shall promptly review an election invoice and any supporting documentation when received from the County. The Participating Entity may audit, during the County's normal business hours, relevant County election or accounting records upon reasonable notice to the County. The Participating Entity shall pay the entire final invoice or the undisputed portion of the final invoice not later than the 30th day after receiving the invoice. Failure by the Participating Entity to timely pay an invoice in full may impact the Election Officer's participation in future elections with the Participating Entity.

SECTION 6. PAYMENTS FOR USE OF VOTING EQUIPMENT

- (A) The Election Officer shall conduct elections using a voting system certified by the Secretary of State in accordance with the Texas Election Code and that has been approved for use by the Travis County Commissioners Court unless otherwise agreed upon by the Participating Entity, the Travis County Clerk, and the Travis County Commissioners Court.
- (B) The Participating Entity shall make payments to Travis County as consideration for the use of the County's voting equipment.
- (1) For each election the Election Officer conducts for the Participating Entity after June 30, 2020 through January 1, 2021, the Participating Entity shall pay one half of one percent of the cost of the electronic voting system equipment installed at a polling place and one-half of one percent for each unit of other electronic equipment used by the Travis County Clerk's Office to conduct the election or provide election services.
 - (2) In this Agreement "other electronic equipment" includes ballot marking devices, ballot scanners, ballot printers, ballot tabulators, and ballot programming software.

- (C) Payment by the Participating Entity to the County for voting equipment is due no later than 30 days after the Participating Entity's receipt of an invoice from the County.
- (D) If the County acquires additional equipment, different voting equipment, or upgrades to existing equipment during the term of this Agreement, the charge for the use of the equipment may be renegotiated.

SECTION 7. ADDITIONAL EARLY VOTING LOCATIONS

- (A) All of the Participating Entity's voters within Travis County will have access to all of the Travis County Early Voting sites in each election at no additional cost.
- (B) If the Participating Entity desires to have one or more early voting sites that are in addition to those sites the Election Officer has already selected for a specific election, the Participating Entity must submit the request to the Election Officer no later than 60 days before the election, and the Election Officer will thereafter provide a written estimate to the Participating Entity that sets forth the estimated cost for providing the additional early voting location(s) and the deadline by which the cost estimate must be paid. If, after receiving the cost estimate, the Participating Entity desires to move forward with having the additional early voting location(s), the Participating Entity will notify the Election Officer and include payment of the cost estimate with the Participating Entity's notice to the Election Officer no later than the deadline specified in the Election Officer's cost estimate. *Pursuant to Texas Election Code Section 85.064(b) and notwithstanding any provision to the contrary, the Election Officer has sole discretion to determine whether to provide any additional early voting sites requested by the Participating Entity.*

SECTION 8. COMMUNICATIONS

- (A) The Participating Entity and the Election Officer shall each designate a member of their staff to serve as the primary contact for the respective offices under this Agreement and provide the name and contact information for that individual to the other party. Each party may change their designated staff members by sending notice to the other party without the further need to amend this Agreement.
- (B) Throughout the term of this Agreement, the Participating Entity and the County will engage in ongoing communications on issues related to Participating Entity elections, the use of County's voting equipment, and the delivery of services under this Agreement and, when necessary, the County Clerk, elections division staff members, and other election workers shall meet with the Participating Entity to discuss and resolve any problems which might arise under this Agreement.

- (C) The Election Officer shall be the main point of media contact for election information related to election administration. The Participating Entity shall designate a contact to be the main point of contact for matters related to the content of the Participating Entity's ballot or candidates.

SECTION 9. RECOUNTS

A recount may be obtained as provided by Title 13, Section 213 of the Texas Election Code. Participating Entity agrees that any recount shall take place at the offices of the Elections Officer, and that the Elections Officer shall serve as Recount Supervisor and Participating Entity's official or employee who performs the duties of a secretary under the Texas Election Code shall serve as Recount Coordinator.
