

AGENDA ITEM SUMMARY SHEET

City of Rollingwood

Meeting Date: November 16, 2022

Submitted By:

Council Member Phil McDuffee

Agenda Item:

Discussion and possible action to protect trees and other vegetation on land zoned Park District (P).

Description:

Rollingwood's current Tree Ordinance provides no protection for any trees growing in land zoned in the Park District (P). Until we can revise the current Tree Ordinance, Council may want to provide some protection for the trees and other vegetation in Rollingwood's Park District (Zone P).

Please see the attached City of Rollingwood Zoning Map for reference.
