

**Agenda Item & Caption:** Approval of a Resolution to set dates for workshops on the following matters:

Water and Wastewater system issues and improvements

Drainage system issues and improvements

City Hall issues and improvements

**Action Requested:** Set dates for workshops on the following matters:

Water and Wastewater system issues and improvements

Drainage system issues and improvements

City Hall issues and improvements

The workshops would permit dates to be set for the Council and residents to be briefed on the status of these matters and to ask questions of staff and city consultants with regard to these matters.
