

**AGENDA ITEM SUMMARY SHEET**

**CITY OF ROLLINGWOOD, TEXAS**

**MEETING DATE: MAY 18, 2022**

**Submitted by: Brook Brown**

**Agenda Item** : Discussion and possible action with regard to a Staff update in connection with the city's policies, and policies of overlapping jurisdictions, as regards "No Burn" notices and related mitigation of fire risks.

**Background:** This item is a follow-up to Council action on Agenda Item 15 from the April 20 Council meeting. Given the risk of extreme dry conditions this summer, increasing the risk of wild fire, the Council has requested an update from Staff in connection with "no burn" notices and other fire prevention notices. Because of the overlap of jurisdictions and public safety responsibilities, an update of the various entity responsibilities - in both notices to the public and enforcement - and best practices in regard to management of yards and fire risks would be helpful to the Council and public.
