

Staff Updates Re: October Park Walk Through

1. Caps on end of bleachers – Responsibility of WHLL/WHGS. They have been notified.
2. Turf around the batting cage - Responsibility of WHLL/WHGS. They have been notified.
3. Chipped paint on picnic tables – On the maintenance list
4. Exposed irrigation in back of park near community garden - On the maintenance list
5. Weeds on walking trail – On the maintenance list
6. Exposed tarp and low mulch at lower park playground – ordering playground mulch, pads for under slides/heavy traffic areas, budgeting for full reinstallation in next fiscal year (have quotes for both additional mulch and full reinstallation)
7. Muddy spot on trail in the back of lower park – Investigating possible solutions
8. Dry/shady and sometimes muddy area near gaga ball pit in the lower park – Investigating possible solutions
9. Trimming of trees interfering with walking path – In Progress
10. Erosion along pavilion and path - Cleaned
