

1. Shaded canopies

I will be adding 2 shaded canopies to Rollingwood, one located in Hatley softball field 1, and Hatley softball field 2. Both canopies will be exact, or very similar copies of the existing shaded canopies over the bleachers. We will use cement to stake the shaded canopies in the ground, and the metal frame will be welded together.

Location: Hatley softball fields 1 and 2

Approximate price: \$1,770 each

Hatley softball field # 2, bleachers to the right of home base.

Location of 2nd shaded canopy: Hatley field #1, to the left of home base (same location as the new bleachers.)

2. New set of bleachers

Location: Hatley field #1, To the left of home base.

Approximate price: \$1500

3. Fly ball protective net

Location: shaded canopy to the right of home base on Harley field number 2

Approximate Price: \$200

4. Flooding solution (French drain)

Location: Hatley softball field # 2, dugout entrance to the left of home base

Approximate price:

\$500
