
108 Laura Lane Variance

From JOSETTE BAHLER [REDACTED]

To Nikki Stautzenberger <nstautz@rollingwoodtx.gov>

We live at 105 Laura Lane and are in favor of granting a variance to the owners of 108 Laura Lane to install a tasteful screen to shield their swimming pool that is located in front of their house. We think installing the screen will also address the safety issue. The pool is built above street level and has a retaining wall but the front deck area is fence free. We are concerned that it is too accessible and creates a safety hazard. Also it would be nice to have their pool toys, outdoor shower etc. shielded from public view.

Josette & Dave Bahler
