Hello,

This is Meghan Elwell at 3 Chris Cove. I am writing on behalf of my husband, Stephen, and myself in support of you allowing a variance for our neighbors at 108 Laura Lane to screen their front yard pool. Without screening, the pool is right out front. Also, I think it is potentially an attractive nuisance to kids. I'm supportive of giving more privacy to the pool area, generally. It will make the whole street look better.

Thanks,

Meghan Elwell
