

AGENDA ITEM SUMMARY SHEET

City of Rollingwood

Meeting Date: December 9, 2025

Submitted By:

Staff

Agenda Item:

Discussion and possible action to create a separate dedicated dog off leash area in the Rollingwood Park

Description:

As discussed in the November 18, 2025 Park Commission meeting, members of the Rollingwood community have again been discussing the use of the park by dogs, and have been discussing whether a dedicated dog park is preferred to the shared-use facility that currently exists. This item allows the Commission to discuss the issue, gather public input, and if desired, make a formal policy recommendation to the City Council on the matter.

Action Requested:

Discuss dogs' use of the park, and make a recommendation to City Council on how best to incorporate such usage into the park

Fiscal Impacts:

The fiscal impact from this item depends upon the Commission's (and ultimately Council's) decision on the dog park issue
