Agenda Item:

Discussion regarding Quarterly Park Walk Through report from Public Works

Description:

This agenda item allows the Park Commission to review Public Works staff's responses to comments and items in the Quarterly Park Walk Through report.

The attached report is the most up-to-date version of the Quarterly Park Walk Through report. Commission Member Downing notes that these additions need to be included:

- The water fountain appears to be disabled on the east side of the tee ball fields
- The gate by the water fountain is locked, and it is unclear why
- The new rocks for seating in the upper playground are a potential safety hazard

Action Requested:

No action is necessary for this item, but discussion regarding the walk-through and Public Works' response(s) to the items is requested

Fiscal Impacts:

No fiscal impact is expected from this item
