Agenda Item:

Discussion and possible action on a resolution to reauthorize the use of online message boards or similar internet applications for certain municipal boards, commissions, and entities

Description:

Section 551.006 of the Texas Government Code permits governing bodies, including the Rollingwood City Council, to use an online message board. During the 89th Legislative Session, Senate Bill 710 amended this section to require that authorization for such a message board be granted by ordinance or resolution for a period not to exceed two years.

The City originally adopted its online message board in 2022. In accordance with the updated statute, the City Council may reauthorize the use of the message board in the same manner and for the same two-year period, as many times as it determines appropriate.

Action Requested:

To approve Resolution reauthorizing the use of its online message board.

Fiscal Impacts:

No significant fiscal impacts are anticipated at this time.
